

# Live Births\* by Nationality, 2017-2025

— Total Live Births  
 — Lebanese  
 — Syrian  
 — Palestinian  
 — Other Nationalities

**Total live births include** both hospital-based deliveries and midwife-led deliveries conducted in midwifery clinics and home settings.

\*Data reported by hospitals to the Vital Data Observatory at the Ministry of Public Health (MoPH) up to May 26, 2026. Midwifery clinics began official reporting to MoPH in 2021.

\*\*The nationality variable was introduced in 2015, while the disaggregation of non-Lebanese nationalities started in August 2017.

Note: The total number of live births delivered by midwives in 2024 and 2025 was 2,834 (2,345 Syrian, 462 Lebanese, 3 Palestinian, and 24 from other nationalities), and 2,792 (1,815 Syrian, 896 Lebanese, 4 Palestinian, and 77 from other nationalities), respectively.
